

VIÑA COBOS

PAUL HOBBS

# BRAMARE

Cabernet Sauvignon

MARCHIORI VINEYARD

2013

## VARIETAL COMPOSITION

100% Cabernet Sauvignon

### HARVEST

Hand-harvested - April 21st, 2013

### APPELLATION

Perdriel (Luján de Cuyo - Mendoza)

### VINEYARD

Marchiori Vineyard. Located at a high altitude of 3,264 feet (995 meters), the vineyard is cane pruned with traditional furrow irrigation. This wine comes from vines of 16-year-old vines.

### SOIL

The vineyard block has deep soils of predominantly loam and clay, with pockets of sand that significantly improve drainage for the vines. Small stones and gravel are found 3.28 feet below the surface.

### GROWING SEASON

Winter began dry, without any major climatic events. November and December saw some hail, but no damage was reported. Spring presented very good temperature variation and, at the time of flowering, weather conditions were perfect, allowing the flowers to fully develop. All of the resulting wines show great balance, intensity, and elegance, with a purity of fruit elevated by ripe tannins. Yields: 2 tons per acre.

### AGING & BOTTLING

Aged for 17 months in new French oak (65%) and second-use oak (35%). Bottled in November 2014. Unfined and unfiltered.

### TASTING NOTES

Deep red in color, the nose displays fresh red fruit and cassis, accompanied by notes of tobacco, chocolate, and spices. Black pepper, clove, mocha, pencil shavings, and a hint of gunpowder adds to the complex spectrum of aromas. It is an unctuous wine with firm tannins, and dimensions of flavors continue to develop on the long finish.
